Wm. Learned Esq.  
No. 5 Spruce St  
New York

New York. Jan. 16. 1847.  
Bro. Phelps,

<sup>10</sup> Having notice of an opportunity  
for Jamaica, I herewith send you the Evan-  
gelist, Tribune, Patriot, &c. No. 182. of the  
National Era: also the Annual Report  
of the Amer. Board & a Sermon which  
Mr. Kenyon sent here for you. I am sorry  
to have to cut you off with a single copy  
of the Era: but the demand for them this  
week has exhausted my supply, & the  
publisher has disappointed me of an ex-  
pected additional package.

I have literally no news for you.  
Mr. Tappan will tell you about  
the Paper, & that fills up thoughts by day  
& by night. Item. There has been a  
falling out at Boston between the Editor  
& Proprietor of the Recorder, but of its mer-  
its I know nothing. A second paper has  
been started & reached its 2nd. No. called  
the Boston Reporter, at \$1.00 per ann.

We are anxiously waiting to hear from  
you, hoping that our next news will be  
more favorable. I have rec'd a paper from Mrs.  
P. as a signal that my remittance of \$40 had  
reached her safely. Nothing yet from J. R. J.  
but good words. Yours truly

Wm. Harned
